Return to the Vacant Position Listing
Applicant Information

- Vacancies are open to all qualified applicants. Applicants will be screened for the minimum qualifications listed for each job vacancy. Preference will be given to applicants who, in addition to meeting the minimum qualifications, possess one or more of the listed preferred qualifications, when applicable.
- Employees will be given the opportunity to compete within their division or within central office to transfer to or voluntary demote to a vacant position prior to consideration of applicants from outside of the agency.
- Applications are accepted for announced jobs only.
- To apply for an announced job vacancy, applicants must submit a Department of Natural Resources (DNR) Application for Employment to the individual address listed with each job posting. It is important that applications be sent directly to the contact person and/or locations listed. Applications sent to another location may not be forwarded and may result in applications not being considered.
- Applicants must submit one application for each position being applied for.
- A .pdf version and a Word version of the DNR Application for Employment can be found by visiting the Careers page of the DNR website at [https://gadnr.org/careers](https://gadnr.org/careers).
- If submitting a résumé, please attach the résumé with a completed DNR Application for Employment.
- Please be sure to include the following information on your application, Job Title and Position Number.
- If the minimum qualifications for a job require a college education and you have obtained a degree from a college or university outside the USA, you are required to submit an International Education Evaluation Letter showing your degree is equivalent to one obtained at a college or university in the USA. International Educational Evaluations are accepted from the National Association of Credential Evaluation Services ([www.naces.org/members.htm](http://www.naces.org/members.htm)) or the Association of International Credentials Evaluators ([www.aice-eval.org](http://www.aice-eval.org)).
- Your application must be postmarked no later than the application deadline date noted on the specific job posting. Please note that deadlines will differ by job postings.
- Any offer of full time and part time employment by DNR is conditional upon a background check that is appropriate for the job functions and business necessity. If related criminal records are revealed in the process, the applicant will not be automatically disqualified.
- Information found on publicly posted social media accounts may be examined.
- Current State of Georgia employees transferring to a DNR position, on the same pay grade, will transfer at their existing pay. Current State of Georgia employees transferring to a DNR position, on a higher pay grade, will typically receive a 5% promotion, or go to the job minimum, whichever is greater. Current State of Georgia employees transferring to a DNR position, on a lower pay grade, will typically receive a demotion with a loss in pay.
- All positions listed in this announcement are in the Unclassified Service and will be filled as unclassified positions.
- All qualified applicants will be considered. Hiring locations will contact applicants regarding interviews but due to the volume of applications received not all applicants will be contacted or receive an interview.
- If you need this Vacancy Announcement in an alternate format, please contact the DNR Office of Human Resources at 404.656.7560.
- DNR is a registered participant in the federal work authorization program commonly known as E-Verify. DNR uses this program to verify employment eligibility of individuals hired on or after July 1, 2007. DNR’s E-Verify ID # is 45119, Authorized July 1, 2007.
- The Georgia Department of Natural Resources is an Equal Opportunity Employer.

Additional information on the Georgia Department of Natural Resources Operating Divisions can be located by visiting the below website addresses:

- Coastal Resources Division: [www.CoastalGADNR.org](http://www.CoastalGADNR.org)
- Environmental Protection Division: [www.GeorgiaEPD.org](http://www.GeorgiaEPD.org)
- Law Enforcement Division: [www.GADNRLE.org](http://www.GADNRLE.org)
- Parks and Historic Resources Division: [www.GAStateParks.org](http://www.GAStateParks.org)

NOTE: Information in this Vacancy Announcement is subject to change.

JOB DESCRIPTION
This position is part of the Private Lands Program, Bobwhite Quail initiative and will work in several counties in Southwest Georgia. Under general supervision, duties include but are not limited to working intensively with landowners, farmers, natural resource agency personnel and others to promote the implementation of wildlife habitat management practices on private farm and forest lands to benefit bobwhites and other grassland dependent species. Primary duties include the development of detailed habitat management plans and financial incentive proposals to integrate bobwhite management with other natural resource objectives and organizing and directing bird monitoring efforts on focal areas.

MINIMUM QUALIFICATIONS
Master’s degree in Biology or a related field from an accredited college or university. 
OR
Bachelor's degree in Biology or a related field from an accredited college or university 
AND
One year of related experience. 
OR
One year of experience required at the lower level Wildlife Biologist 1, (NRPO60) or position equivalent.

PREFERRED QUALIFICATIONS
Preference may be given to applicants with:
- A Masters degree in Wildlife Management, Wildlife Biology or Wildlife Science from an accredited college or university
- Detailed knowledge relative to the ecology and management of early successional habitats for northern bobwhite and other wildlife in the Southeast, agriculture and forestry practices
- Experience developing conservation plans and maps (GIS) for wildlife habitat management and experience working with Natural Resources Conservation Service, Farm Bill conservation program and other cost share and incentive programs.
- Experience conducting bird monitoring such as breeding bird counts or covey counts.
- Wildlife Resources Division employees

JOB CODE | NRT012
PAYGRADE | J
ENTRY SALARY | $35,569.36

**JOB DESCRIPTION**
The Wildlife Tech 3 will supervise longleaf pine ecosystem restoration efforts on Ceylon WMA and other WMAs. This work will include conducting habitat management practices to benefit game and nongame species and natural communities. Primary responsibilities include prescribed fire planning and implementation, controlling invasive species, assisting with timber management operations, monitoring gopher tortoise populations and habitat restoration, reporting on the progress of restoration efforts, and operating and maintaining equipment. The Wildlife Tech 3 will supervise a Wildlife Tech 2 in the general maintenance facilities at Ceylon WMA. Additional duties include implementation of rare species management at Ceylon WMA, Sansavilla WMA Wire Rd Tract, and other properties. This position will assist with grant writing, data analysis (GIS and Statistics) and technical report writing, represent Georgia DNR at workshops, and participate in outreach programs. Will respond to wildlife emergencies and other critical incidents on weekends, holidays and after hours as required.

**MINIMUM QUALIFICATIONS**
Associate’s degree in Wildlife Management or a related field from an accredited college or university

AND

One year of experience required at the lower level Wildlife Technician 2 (NRT011) or position equivalent.

OR

Completion of equivalent coursework (90 quarter hours or 60 semester hours) in Wildlife Management or a related field from an accredited college or university

AND

One year of experience required at the lower level Wildlife Technician 2 (NRT011) or position equivalent.

OR

High school diploma or GED

AND

Two years of experience in the Wildlife Resources Division as a Wildlife Technician 2 (NRT011).

**NOTE:** This position is subject to random drug testing. The selected candidate may be required to pass a drug test before final offer of the position.

**NOTE:** Applicants must possess a Commercial Driver’s License (CDL) or be eligible to obtain a CDL.

**PREFERRED QUALIFICATIONS**
Preference may be given to applicants with:

- Bachelor’s degree or higher in forestry, wildlife management, or related natural resource field
- Experience with management of game and nongame wildlife
- Experience with management of habitat for gopher tortoise and associated species
- Experience with longleaf pine ecosystem restoration, including native groundcover restoration
- Experience in prescribed fire planning and implementation
- Experience with invasive species identification and control
- Experience with operation of chainsaws and heavy equipment
- Experience with GIS mapping programs and GPS-enabled mapping techniques
- Supervisory experience

**JOB DESCRIPTION**

This position is in the Georgia Environmental Protection Division (EPD) Air Protection Branch – Stationary Source Permitting Program located at the EPD Tradeport in Clayton County. The person selected for this position will manage the Stationary Source Permitting Program which consists of four units: Chemical Permitting, Minerals Permitting, NOx Permitting and VOC Permitting. The permit engineers in the Stationary Source Permitting Program draft air quality permits and amendments for new and existing stationary sources of air pollution. This includes pre-construction permitting programs such as New Source Review and operating permit programs such as Title V (or Part 70) permits. The successful candidate for this position will routinely make complex decisions based on their experience and available information. The successful candidate for this position must have strong project management skills, a demonstrated ability to work with stakeholders, and an aptitude for building teams.

**MINIMUM QUALIFICATIONS**

Bachelor's degree in environmental sciences, biology, chemistry, geology, engineering (agricultural, chemical, civil, environmental, mechanical or sanitary) or a related field from an accredited college or university AND

Four years of professional experience in environmental enforcement, environmental health, environmental monitoring, environmental protection or environmental research, Two years of which in a managerial or supervisory capacity.

OR

Three years of experience required at the lower level Manager 1, Environmental Protection (RCM010) or position equivalent.

**NOTE:** An equivalent combination of education and job specific experience that provided the knowledge, experience and competencies required to successfully perform the job at the level listed may be substituted on a year-over-year basis for a maximum of Two years non-managerial/supervisory experience.

**PREFERRED QUALIFICATIONS**

Preference may be given to applicants with experience preparing air permit applications, reviewing air permit applications, or drafting air quality permits.
